Medical Testing Gazebos

R Price Range:
R7,495 – R8,995
ex vat

Our range of custom branded medical testing gazebos are specifically manufactured for maximum privacy and functionality. Our medical testing gazebos are available in three wall options namely:

Standard Velcro walls:

Standard branded walls with Velcro straps that strap around each gazebo leg. Interlocking branded zipper walls.

These walls feature heavy duty interlocking zips. Each wall zips into each other providing added privacy as there are no gaps between each wall.

Full wrap wall:

Our full wrap wall is one large wall which wraps around the entire gazebo which also provides added privacy, no gaps between walls.

Front entrance wall:

Each of the above options include a front entrance wall with a center or off center heavy duty zip for entrance and exit.

Side walls with mesh roll up windows:

Our side walls are available with mesh windows with branded roll up flaps if required. Usually the back wall is a solid wall without window.

All our medical testing canopies and walls feature premium custom dye sublimated 200GSM weatherproof coated outdoor premium gazebo canvas.

Frame options:

Our custom branded medical testing gazebos are available in Classic premium steel or deluxe pro aluminium frame options. All our medical testing gazebos include carry bags and toolkits.

Flat roof options:

Our medical testing gazebos are available in flat roof options if a lower total set up height is required.

*Popular sizes include 2m x 2m and 3m x 3m, 4.5m x 3m, 6m x 3m, custom sizes are available on request.

Specifications:

Available Sizes: 2m x 2m, 3m x 3m, 4.5m x 3m and 6m x 3m

Hardware: Classic Steel or Deluxe Aluminium

Branded Canopy: 200GSM premium thick waterproof coated gazebo canvas dye sublimated in full colour digital.

Includes zipper carry bag with tie downs, ground pegs and ground pegs.
15 to 25 Year hardware warranty.
